ARTICLE 2. PURPOSE

2.1 Scope. The GCP apply indiscriminately to the supply of any Product and to the performance of any Services provided by PROVIDER under the Order.

2.2 Order of precedence. CLIENT is open to the mutual negotiation of the general terms and conditions of sale that PROVIDER will communicate. Nevertheless, by accepting the Order as per the provisions hereunder, PROVIDER expressly agrees to the GCP which will prevail over the general terms and conditions of sale of PROVIDER, unless otherwise agreed in writing between the Parties after negotiating them. The GCP can only be amended and/or supplemented by the SCP which will then prevail over the GCP. Any terms and conditions contained in PROVIDER’s proposal, invoice, acknowledgment, or any document whatsoever (including the content of documents that may be incorporated through URL links) other than in the SCP, are null and void.

If an Order is issued under a specific separate contract concluded in writing between the Parties, the provisions of this contract alone will govern.

ARTICLE 3. TERM

3.1 Duration. The GCP and the SCP are effective as from the issuance of the Order by CLIENT and will remain in full force and effect for the duration of the Order, unless otherwise provided herein. The Order may not be tacitly renewed and may only be extended by means of an amendment signed by duly authorized representative(s) of the Parties.

3.2 Expiration consequences. Upon expiration of the Order or at the end of the reversibility phase as the case may be, PROVIDER will promptly return, at its own costs, to CLIENT all equipment and devices lent to or put at its disposal, together with any information, document, material and data (including Confidential Information) provided by CLIENT, which will be either returned or, upon CLIENT’s request, securely destroyed and certified in a signed statement, without the possibility for PROVIDER to retain any kind of copy, extract and/or summary, except for one (1) copy that PROVIDER may keep for legal purposes. In addition, PROVIDER will stop using CLIENT’s data in any way whatsoever, unless expressly authorized by CLIENT and will provide CLIENT, as applicable, with a written final report detailing the Services performed until such expiration. When necessary, PROVIDER will also make its best efforts to assist CLIENT in the qualification of an alternate Third-Party supplier for the supply of Products, without being however required to disclose any of its trade secret.

3.3 Reversibility. Upon expiration of the Order, PROVIDER will supply to CLIENT, without additional cost for CLIENT, with any necessary assistance to ensure the transfer of Services in order to prevent any interruption of performance and to allow CLIENT to resume them either by itself or by any Third-Party service provider. PROVIDER will notably transfer its expertise in relation to the Deliverables in such a way as to ensure that CLIENT or its Third-Party service provider may continue using them in the best possible conditions. PROVIDER will meet the timelines agreed between the Parties, while continuing its efforts to limit the duration of this reversibility phase.

ARTICLE 4. TERMINATION

4.1 Termination for convenience. CLIENT may, without prejudice to its other rights or remedies, terminate at any time and without requiring any judicial formalities the Order for convenience, in whole or in part, with immediate effect, subject to a reasonable prior Notice without incurring any liability, fees, damages or compensation whatsoever.

4.2 Termination for default. In case either Party breaches or fails to perform any of its obligations, the other Party will Notify the defaulting Party thereof, within fifteen (15) Days and if the defaulting Party fails to remedy such default the other Party may, without prejudice to its other rights or remedies, terminate without requiring any judicial formalities the Order for default, in whole or in part, with immediate effect, after sending a Notice to the defaulting Party.

4.3 CLIENT’s right to terminate for specific causes. CLIENT may, without prejudice to its other rights or remedies, terminate without requiring any judicial

formalities the Order, in whole or in part, with immediate effect and without prior Notice, in the event of: repeated delays, significant consequences due to non-compliant performance, regulatory decisions stating that the Products and/or Services do not suit the pharmaceutical specialties, non-compliance with articles "Confidentiality", "Information security and quality measures", "Pharmacovigilance", "Personal data protection", "United Nations Global Compact – Anti-Corruption – Conflict of Interest – Transparency – Restricted Parties Screening – Conflict Minerals", "Requirements pursuant to social regulation", "Environment", "Transfer – Assignment", "Subcontracting" and/or "Export control".

4.4 Termination for PROVIDER's Change of Control. In case of PROVIDER's Change of Control or if a CLIENT's competitor acquires equity or voting rights in PROVIDER, PROVIDER will immediately Notify CLIENT thereof.

"Change of Control" means any organizational change of PROVIDER resulting in (i) either the main shareholder of the Party in question at the time of establishing of the Order no longer having effective control of the Party; or (ii) any change in the shareholding structure of said Party, affecting its control; the concept of "control" has the meaning as set out in Article L. 233-3 of the Commercial Code.

In this case, CLIENT reserves the right to, without prejudice to its other rights or remedies, terminate without requiring any judicial formalities the Order, in whole or in part, with immediate effect, subject to a fifteen (15) Day prior Notice, without incurring any liability, fees, damages or compensation whatsoever.

4.5 CLIENT's right to terminate for a force majeure event. In case of a force majeure event under the conditions of article "Force majeure" below, the non-affected Party may terminate the Order pursuant to provisions specified therein.

4.6 Termination consequences. In addition to the provisions laid down in article "Expiration consequences", in case of any termination, PROVIDER will immediately cease incurring or committing to any cost in connection with the Order. CLIENT will only be required to pay to PROVIDER the sums corresponding to the compliant performance of the Order not yet invoiced up to the effective date of termination, no other amounts being due. If applicable, PROVIDER will reimburse any advance payment received for part of the Order not performed yet or any payment received for defective or non-compliant Services and/or Products.

4.7 Cancellation. In case PROVIDER breaches or fails to perform any of its obligations, CLIENT may, without prejudice to its other rights or remedies, cancel at any time and without requiring any judicial formalities the Order, in part or in whole, with immediate effect, subject to a fifteen (15) Days prior Notice remained unanswered by PROVIDER. Consequently, in addition to its obligations under article "Termination consequences" above, PROVIDER will reimburse CLIENT, on the date of cancellation, all sums collected in connection with the Order. Furthermore, CLIENT may decide to cancel at any time before the delivery date of the Products or to the performance date of the Services, and without requiring any judicial formalities the Order, in part or in whole, with immediate effect, subject to a reasonable Notice without incurring any liability, fees, damages or compensation whatsoever. Nonetheless, should CLIENT decide to cancel the Order or any part thereof after the delivery date of the Products or to the performance date of the Services, the Parties will discuss, if any, the reasonable and documented cancellation charges incurred for PROVIDER and that CLIENT will agree to bear.

ARTICLE 5. FINANCIAL CONDITIONS

5.1 Prices. Unless otherwise provided in the SCP, everything indicated in the Order as to be supplied or executed by PROVIDER is deemed to be entirely included in the prices specified in the Order. Subject to the compliant performance of its obligations under the Order, CLIENT will pay PROVIDER the amount mentioned in the Order. Said amount is firm and fixed for the whole duration of the Order. The amount will be given in euros and understood to exclude tax. The applicable VAT at the time of billing will be additional.

5.2 Invoicing. Unless otherwise provided for by any mandatory Applicable Law, PROVIDER will be entitled to invoice for payment when the Products are actually delivered or after the full performance of the Services in accordance with the provisions of the Order. PROVIDER will submit invoices in a single copy, only in electronic format through the preferred invoice reception channel(s) as defined under <https://suppliers.sanofi.com/invoicing> at the invoice issue date. Submitted electronic invoices will include all elements specified by Applicable Laws (e.g. description of the Products/Services) and the ones enabling CLIENT to process them (including, but not limited to, the Order number, or any supporting document accompanying the detail of invoiced items including those requested by CLIENT when necessary) as defined under <https://suppliers.sanofi.com/invoicing> at the invoice issue date. Sending a paper duplicate is explicitly not required and may have an impact on PROVIDER from the perspective of taxation. Only electronic documents received through preferred channels represent valid original invoices. Invoices sent through other channels (e.g., paper) or that do not include all the elements referred to above will not be processed. Uncompliant invoices may be returned to PROVIDER per email.

CLIENT reserves the right to refuse any invoice that is not compliant with the provisions of the Order. Three (3) months after the end of the Order, CLIENT will be entitled to refuse payment of any PROVIDER's invoice related to a Product or Service.

5.3 Payment terms. CLIENT will pay PROVIDER by bank transfer using the account details PROVIDER has previously provided. Payment must be made within the time frame specified in the SCP.

In the event of non-payment exclusively due to CLIENT within the given time frame, a late payment penalty will apply, equal to three (3) times the French legal interest rate. This interest begins accruing from the Day following the payment deadline until the Day of actual payment. Late payment will cause, in addition to late payment interests, the payment of a fixed sum of forty (40) euros corresponding to the recovering fees provided for by Article L 441-6 I of the Commercial Code. Such indemnities will automatically be due by CLIENT and without any formality. The Parties expressly agree to exclude the application of Articles 1219 and 1220 of the Civil Code and, as a result, the supply of the Products or the performance of the Services cannot be suspended in anyway whatsoever.

No advance payment will be made by CLIENT to PROVIDER. However, if advance payments are authorized, CLIENT will be entitled to ask PROVIDER to provide an irrevocable first-demand bank guarantee for the refund of such advance, issued by a reputable bank to an equivalent amount.

5.4 Retention money. A maximum of five percent (5%) of the Order price may be withheld, automatically if required by Applicable Laws or on CLIENT's decision, even in the event of payment by instalments. This holdback will be paid upon expiration of the Contractual Warranty as defined in article "Warranties" unless CLIENT raises any objection thereto. However, and unless otherwise stipulated by a mandatory provision, this holdback can be replaced by an irrevocable, personal and unconditional first-demand bank guarantee, to an amount equivalent to the holdback amount, issued by a reputable bank. This bank guarantee will be releasable upon expiry of the Contractual Warranty as provided herein.

5.5 Service/milestones credits. If applicable, in case of PROVIDER non-compliance with the service levels defined in the SCP, unless otherwise agreed with CLIENT, PROVIDER shall issue a credit note in accordance with the SCP. The Parties agree that such credit note (i) does not relieve PROVIDER from performing properly the affected part of the Order, (ii) is a price adjustment and (iii) does not represent an estimate of the loss or damage that may be suffered by CLIENT in respect of the non-compliance which gives rise to the credit note. Therefore, such credit note shall not be construed as a penalty clause and is without prejudice to any remedy available to CLIENT.

ARTICLE 6. LIABILITY

The Order is performed under the full liability of PROVIDER. In this respect, PROVIDER is liable for any injury, damage, or loss whatsoever, suffered by CLIENT, its Personnel, representatives, Affiliated Companies, customers and/or any Third Party, resulting from or in relation to any PROVIDER's breach, error, negligence, omission and/or fault whether caused by PROVIDER itself, its Personnel, representatives and/or Affiliated Companies.

ARTICLE 7. INSURANCE

Without limitation to its obligations and responsibilities under the Order, PROVIDER represents to hold and maintain, at its own expense, and throughout the whole duration of the Order, all necessary insurance policies to cover all financial consequences of the liability that would arise out of or be in connection with the performance of the Order, for any injury, damage or loss whatsoever that it may cause to CLIENT, its Personnel, representatives, Affiliated Companies, customers or any Third Party while performing the Order. The insurance coverage will not relieve PROVIDER of any of its responsibility for injury, damage or loss in excess of insurance limits or otherwise.

Such insurance will be maintained with a reputable insurance carrier or through self-insurance, and will notably include (i) Commercial General Liability and Products Liability or Professional liability ("errors and omissions") insurance, (ii) cyber coverage addressing privacy & confidentiality breach and network security and (iii) if applicable, workers' compensation/Employers Liability in the relevant jurisdiction where the work is being performed, and automobile liability insurance if vehicles will be on premises or used in servicing contract.

Upon CLIENT's request, PROVIDER will promptly provide it with a certificate from the insurer(s) or the insurer's authorized representative, or in the case of self-insurance, an authorized corporate officer evidencing such insurance coverage.

All these insurance policies must be taken out by PROVIDER to allow it to Notify CLIENT at least thirty (30) Days before any cancellation or modification of these insurance policies.

ARTICLE 8. FORCE MAJEURE

8.1 Scope. Neither CLIENT nor PROVIDER will be held responsible for any shortcoming or delay in the performance of its obligations that may be due to a force majeure event, as defined under Article 1218 of the Civil Code. By derogation, the Parties agree that internal strike is not a force majeure event within the meaning of this article.

8.2 General obligations. Should a force majeure event affect the Order, the affected Party will immediately Notify the non-affected Party thereof. In this case, the Parties must promptly meet and make their best efforts to mitigate the effects of the force majeure event. At CLIENT's sole option, the quantities of Products and/or part of the Services so affected by the force majeure event may be eliminated from the Order without incurring any liability, fees, damages, or compensation whatsoever, but the Order will remain otherwise unaffected. Without prejudice to the foregoing, at the end of the force majeure event and its effects, each Party will promptly resume the performance of its obligations thus suspended.

Each Party will bear its own costs and expenses incurred in connection with the force majeure event.

8.3 Termination cases. Should the Parties fail to agree on the measures required and should the force majeure event exceed a period of fifteen (15) Days from the Notice, the non-affected Party will be entitled to immediately terminate whole or part of the Order without requiring any judicial formalities and without any compensation to be claimed for this purpose.

ARTICLE 9. AUDIT

9.1 Scope. The Parties agree that CLIENT may at its own costs, upon reasonable Notice and at any time during the Order and three (3) years following its expiry, carry out an on-site or documentary audit by itself or by an independent body of its choice to investigate PROVIDER's and its Personnel's compliance with their obligations and any Applicable Laws.

9.2 General obligations. For the purpose of this audit, PROVIDER agrees (i) to grant and facilitate access to the auditors to its and those of its Personnel's sites, facilities, systems, documents, employees (ii) to ensure that all documentation is "inspection-ready" (iii) to cooperate fully in good faith with them and (iv) to provide them with all necessary information and logistical support to carry out the audit. The Parties acknowledge that the audit will be carried out subject to article "Confidentiality" and as a result, PROVIDER will not be allowed to request any specific confidentiality disclosure agreement to the auditors for the performance of the audit.

9.3 Consequences. Following the audit (including any Health, Safety and Environment audit), if a non-compliance is detected or if CLIENT voices recommendations or reservations, PROVIDER agrees to implement, at its sole expense, the corrective and preventive actions promptly as from CLIENT's Notice or provision of the report and to follow the recommendations and/or reservations expressed by CLIENT. In this event, PROVIDER will reimburse to CLIENT all costs of the audit (including the fees of the independent auditors). Any failure to remedy a breach identified during the audit will allow CLIENT to terminate the Order for breach.

9.4 Audit report. The results of the audit must be considered as a Confidential Information of both Parties and a copy of the audit report will be provided free of charge by CLIENT to PROVIDER upon request.

9.5 Authority inspection. Should a competent authority or authority with an interest in the activities of PROVIDER carry out or intend to carry out an audit and/or inspection of PROVIDER in such a way that it may somehow relate to the Order or affect PROVIDER ability to perform the Order, PROVIDER will, at no additional cost for CLIENT, promptly Notify CLIENT thereof together with the measures subsequently taken or proposed.

ARTICLE 10. CONFIDENTIALITY

10.1 Scope. For the purpose of this article, "Discloser" or "Recipient" means, as relevant, either one of the Parties that (i) either discloses directly or indirectly (the "Discloser") or (ii) receives or may have access to (the "Recipient"), Confidential Information for the performance of the Order.

Obligations defined in this article do not apply to Confidential Information for which the Recipient can either prove that (i) the Recipient already lawfully contained it in its records prior to its communication by Discloser (ii) it was already or became known or accessible to the public before being communicated by the Discloser (iii) it had been legitimately communicated by Third Parties who were not bound by a confidentiality agreement relating to the said information (v) it was independently developed by the Recipient without access to the Confidential Information, subject to written evidence.

10.2 General obligations. The Recipient agrees to treat the Confidential Information as strictly confidential, to protect it with at least a reasonable care and to strictly limit its access to its Personnel directly concerned by the Order for the sole purpose of performing the Order who will be bound by the same obligations set out herein.

In no circumstances may the Recipient sell, exchange, publish or communicate the Confidential Information in any manner whatsoever or in any form whatsoever to a Third Party, without the Discloser's prior written approval. CLIENT may nonetheless be entitled to exchange the Confidential Information to its Affiliated Companies and to notably provide to its/their Personnel the audit report, without prior authorization from the Discloser.

In the event that the Recipient requires a Third Party's assistance (subject however to the Discloser's prior written information who may have five (5) Days to oppose before the disclosure will be deemed approved), the Third Parties will be bound by the same obligations of secrecy as those of the Recipient and may only use the Confidential Information to perform the Order. In any event, should the Third Party breach its obligations of confidentiality, the Recipient will remain liable for such breach towards the Discloser.

In consideration of PROVIDER's professional capacity, CLIENT will have no obligation or warranty to PROVIDER as to the accuracy, completeness and/or usefulness of the Confidential Information, and will not be liable with respect to or resulting from the use or misuse of any Confidential Information by PROVIDER. PROVIDER will waive any recourse against CLIENT for damage and/or loss resulting from the use of any Confidential Information disclosed under the Order.

10.3 Compelled disclosure. If the Recipient is required by a request of any form whatsoever by a court, regulatory or governmental body to disclose the other Party's Confidential Information, the Recipient will, to the extent allowed under Applicable Laws, (i) immediately Notify the Discloser thereof and (ii) upon Discloser's request, redirect the request to the Discloser and (iii) provide reasonable assistance to the Discloser in opposing it. If such Notice is prohibited by Applicable Laws, the Recipient must take all necessary steps to relief itself from

such prohibition and to limit the disclosure to the strict portion of the Confidential Information that is identified in the request, such portion to remain anyhow confidential.

10.4 Return or destruction. Upon expiry or any termination of the Order for any reason whatsoever, or at any time the Discloser so requests, the Recipient agrees to return to the Discloser all Confidential Information in accordance with the provisions set out in article "Expiration consequences".

10.5 Duration. Obligations set out in this article "Confidentiality" must apply throughout the term of the Order and for a period of ten (10) years following its expiration or termination, regardless of the reason, or any other longer period provided for under trade secret regulation or similar Applicable Laws.

10.6 Business reference and communication. CLIENT is free to speak out, through all means of communication, on the business relationships between the Parties, the existence and content of the Order and/or Deliverables. Unless prior written consent is obtained from CLIENT, PROVIDER will refrain from mentioning the existence and/or content of this Order in any communication whatsoever with Third Parties. All reproduction, in full or in part or any use in any manner whatsoever, in particular, for reference or publicity purposes, of the CLIENT's trademarks, logos and/or tradenames without CLIENT's prior written authorization is prohibited.

ARTICLE 11. INTELLECTUAL PROPERTY

Each Party retains exclusive ownership of IPR on its Pre-Existing Elements (including developments, adaptations, enhancements, and modifications thereof). PROVIDER grants or has granted to CLIENT, a worldwide, royalty-free, non-exclusive, sublicensable and transferable license, valid for the duration of the Order (except for PROVIDER's Pre-Existing Elements which are embedded in the Deliverables for which this license is provided for the entire duration of protection of IPR), to access, use, copy, modify, improve, maintain and preserve the Pre-Existing Elements of PROVIDER, in order to use the Services or Products and Deliverables. CLIENT grants PROVIDER, for the duration of the Order, a fully paid worldwide, royalty free, non-exclusive, and non-transferable license to use the CLIENT's Pre-Existing Elements solely to the extent necessary to perform its obligations under the Order if required by PROVIDER.

In the case of co-development or a specific partnership, the IPR will be negotiated between the Parties and will be subject to a specific contract. CLIENT owns on an exclusive and worldwide basis and for the full duration of IPR protection, all rights (relating to any Deliverable (in any form, regardless of the state of completion) created under or resulting from the performance of the Order. However, to the extent that the rights to the Deliverables would not be owned by CLIENT by operation of law, PROVIDER irrevocably transfers to CLIENT, who may freely use the Deliverables without any further consideration and/or additional costs, the full ownership of all IPR in the Deliverables, in any form and support whatsoever, free of all encumbrances and Third Parties' claims, and as soon as the Deliverables are created. This transfer, which applies on an exclusive and worldwide basis, is granted to CLIENT for the full duration of the IPRs protection as provided for by Applicable Laws and will include all rights such as the rights of use, exploitation, transfer, (sub)licensing, reproduction, representation, translation, distribution, adaptation, engineer, and reverse-engineer for all Deliverables. The Deliverables include all outcomes resulting in any way whatsoever from the performance of the Order (including improvements, enhancements, developments, adaptations and/or modifications to CLIENT's Pre-Existing Elements), regardless of their state of completion, form and nature (including, but not limited to, any materials, IT development, software, interfaces and associated source and object codes, designs, drawings, databases, specifications, documents, notes, studies, intermediary/final reports, creative ideas/stages, distinctive marks), whether or not protected or capable of being protected by intellectual property Applicable Laws and any IPRs related thereto. CLIENT has the exclusive right to obtain, hold, deposit, and renew (or not), under its name and/or to its worldwide benefit any title subject to IPR relating to a Deliverable. PROVIDER undertakes to assist CLIENT, free of charge, with any steps required to ensure the protection of CLIENT's rights on Deliverables. Due to the field of activity of CLIENT, PROVIDER is informed that the use of the Deliverables may imply some adjustments of the moral rights necessary as regard to objective conditions of exploitation. To the extent required by CLIENT to exploit the Deliverables and subject to Applicable Laws, PROVIDER explicitly, irrevocably, and definitively waives its moral rights (and also warrants to take all necessary measures to have its Personnel and Third Parties waive theirs).

PROVIDER warrants, on a worldwide basis, that CLIENT will have peaceful enjoyment of all IPRs assigned or licensed under the Order and that no Products, Service, Pre-Existing Element and/or Deliverable provided violate any right of any Third Party and constitute acts of unfair competition, free riding or misappropriation of know-how. In case of any Third Party's claim or action against CLIENT for an alleged or actual infringement to its IPR or any other rights, PROVIDER will, at its expense, hold harmless CLIENT from and against any claims, actions and liability incurred and provide, as relevant, legal assistance for its defense and/or substitution in any proceedings, except otherwise decided by CLIENT. PROVIDER will also indemnify CLIENT for all costs and damages incurred from condemnation, notably including lawyers' and consultants' fees, compensation, ancillary costs in addition to the damages corresponding to the potential loss of use and/or sums due under a settlement agreement, costs, and expenses for performance continuity). In addition, PROVIDER should be obliged, at its expense and at CLIENT's discretion, to (i) obtain the right for CLIENT to continue using as applicable the Products, Services, Pre-Existing Element and/or Deliverable (ii) replace or modify the concerned item or part thereof such as it no longer infringes Third Parties' right, provided that this does not cause any adverse effect on the

Products/Services/Deliverables or their intended use or (iii) refund or reduce the price paid. If the Parties fail to reach an agreement regarding the aforesaid, CLIENT may terminate the Order or part thereof for PROVIDER's breach.

PROVIDER warrants that that no open-source software is used for the performance of the Order and therefore included in, embedded in, relied upon, called upon, linked to, or incorporated into any Deliverable that would (i) requires either PROVIDER or Company and/or its Affiliated Companies) to license or distribute any Deliverable for free or for a limited charge to the public or (ii) limit Company's and/or its Affiliated Companies' use and exploitation of the Deliverable as described in this article "*Intellectual Property*".

ARTICLE 12. SPECIFIC PROVISIONS RELATED TO ORDER

12.1 Order formalization – Order acceptance – Order changes. The Order will specify, at minimum, the Products or Services, the quantities as the case may be, the performance or delivery schedule, the place of delivery or performance and the agreed prices. Each Order will be placed by electronic data interchange ("**EDI**") or such other systems as the Parties may agree from time-to-time in writing.

PROVIDER must, within a maximum of seven (7) Days as from receiving the Order, acknowledge receipt "*for unconditional acceptance*" for all the Order. In the absence of acknowledgement of receipt, any initiation of performance by PROVIDER will imply its agreement to the entire Order.

CLIENT reserves the right to make at any time changes to the Order, by means of a Notice. If any such change causes a substantial variation in the cost and/or time schedule of supplying the Product(s) and/or of performing the Services, PROVIDER may assert a claim in writing for an equitable and substantiated adjustment in the price and/or the delay within seven (7) Days after receiving CLIENT's Notice of changes. Upon mutual agreement as to any price or delivery change, CLIENT will issue a written change order. CLIENT may, however, request PROVIDER to commence the agreed changes prior to having finalized the adjustment to the change order. If the Parties are unable to agree upon the adjustment, acting reasonably and in good faith, CLIENT may without any liability terminate this Order as to all affected Products and/or Services. Failing a Notice of adjustment by PROVIDER in accordance with this article, PROVIDER hereby expressly waives its rights to claim for an increased cost or extension of time of performance, while carrying out the change. PROVIDER will not make any change to the Order without CLIENT's prior written consent.

In certain cases, when a budget allowance is estimated as an indication for the set of supplies or performances that CLIENT may entrust to PROVIDER over a reference period of time, it is expressly specified that such open Order does not bind CLIENT with respect to the amount indicated in the Order and that only delivery calls actually issued will be interpreted as an agreement to contract with PROVIDER subject to the same provisions of acknowledgment and changes. Upon Order acceptance, CLIENT is not obligated to any minimum, recurring, or future purchases of Products or Services, except as otherwise expressly set forth in the Order.

12.2 Order performance. PROVIDER will carry out the Order continuously and diligently, to the satisfaction of CLIENT and in accordance with the Order and Applicable Laws. In addition, as a professional, PROVIDER is bound by a general obligation of result, together with an obligation to manufacture, use compliant raw materials, give advice, information and recommendations to CLIENT that are needed for the performance of the Order, in particular in terms of quality and performance.

PROVIDER represents, warrants, undertakes, and agrees that it has the required skills, capacity, materials, and equipment to perform the Order, that it has the requisite experience of performing work and supplying products of nature and scope similar to the Order, using a qualified and competent Personnel and, that it holds and will maintain for the duration of the Order, at its own cost, all administrative authorizations or approvals required by Applicable Laws. PROVIDER warrants however that, if any member of its Personnel was formerly working for a SANOFI's Affiliated Company as a permanent employee, PROVIDER will not assign him/her to the performance of the Order for a period of five (5) years following his/her departure from SANOFI group.

If the Parties have concluded a quality agreement relating to the Products or Services, PROVIDER must respect the aforementioned quality agreement which will apply to the Order and prevail, regarding any quality issues, in case of contradiction or inconsistency between the quality agreement and the Order. In any event, PROVIDER will implement an appropriate and recognized quality assurance program and quality management measures to ensure that the Products and Services conform to the requirements of the Order.

PROVIDER agrees to keep CLIENT informed of the progress in performing the Order, including when relevant, to provide it with progress reports. PROVIDER will Notify CLIENT without undue delay of all things which in its opinion appear to be deficiencies, omissions or difficulties encountered in the performance of the Order (including any loss, withdrawal or non-renewal of any administrative authorization or approval), or appear to be any kind whatsoever of non-compliance with the provisions herein and notably with Applicable Laws, where in such case, CLIENT reserves the right to terminate the Order as per article "*Termination*".

PROVIDER also procures that each PROVIDER's Personnel will comply with the obligations set forth in the Order.

PROVIDER acknowledges that any interruption or suspension of the performance may have critical adverse consequences for CLIENT and undertakes therefore to continue at all times the performance of the Order by all possible means (including as necessary, providing blueprints, sharing source codes or maintaining an up-to-

date business continuity and disaster recovery plan etc.) with regard to CLIENT's regulatory, social and patient responsibility as a pharmaceutical industry and in particular the absolute necessity for CLIENT to ensure the continuity of its business.

12.3 Delivery – Transfer of ownership and risks. PROVIDER will deliver the Products and/or perform the Services, within the planning and to the address indicated in the Order. Failing this, CLIENT reserves the right to refuse in whole or in part, at its sole discretion, the Product(s), or Service(s).

The Product(s) will be shipped, packed, marked, handled, and dispatched with the care required to guarantee their protection, in line with CLIENT's instructions, Applicable Laws and any other terms agreed between the Parties. PROVIDER will draw up and attach to the consignment all detailed and accurate documents necessary (e.g., operation and maintenance manual, quality confirmation certificate, bill of lading, certificate of origins, export authorizations and licenses etc.). Delivery will not be deemed complete until the delivery of all required documentation in accordance with the Order and Applicable Laws.

For the supply of Products, the Order will specify the Incoterm (ICC Incoterms®, 2020) used. Otherwise, the delivery will be considered Delivered At Place (= DAP) (ICC Incoterms®, 2020) at the agreed destination.

PROVIDER will irrevocably transfer to CLIENT the full ownership of the Products and Deliverables progressively as they are being manufactured and created, regardless of the chosen Incoterm. The risk of loss or damage to the Products, Services and/or Deliverables will pass from PROVIDER to CLIENT upon the definitive acceptance of Products, Services and/or Deliverables by CLIENT.

12.4 Acceptance. The Products or Services will not be considered as accepted by CLIENT without an inspection and release by CLIENT or any Third Party authorized by it. Any delivery of Products or performance of Services is therefore subject to a definitive acceptance from CLIENT, notwithstanding any payment or initial inspections, in order to verify their conformity with the Order. Upon receipt of the Products or completion of the Services, CLIENT will carry out such inspection at that time or at any time thereafter. Where the Products or Services require to perform some tests after their delivery or completion, their acceptance will not occur until such tests have been passed to the satisfaction of CLIENT. If the Products or Services do not meet the requirements specified in the Order, CLIENT will Notify PROVIDER thereof as soon as possible and at CLIENT's discretion, PROVIDER will promptly (and no later than forty-eight (48) hours after CLIENT's Notice to commence remedying) either (i) repair, replace or re-perform the deficient or non-conforming Products or Services (the "**Defective Product(s) or Service(s)**") within the time limit set by CLIENT (ii) refund to CLIENT all payments made (with interests) for and in relation with the Defective Products or Services or (iii) reduce the price in proportion of the reduced value of the Defective Products or Services if CLIENT decides to accept them (collectively the "**Remediation Action(s)**"). Any corrected Products or Services will be subject to the same inspection and acceptance terms provided for in this article and any Remediation Action will be carried out at PROVIDER's sole risks and expenses which will include CLIENT's reimbursement of, in addition to any other expense, all costs and/or losses suffered by CLIENT in relation with the Defective Products or Services, such as, without limitation, the costs for correcting the Defective Products or Services by CLIENT itself or by a Third Party of CLIENT's choice (where, in these cases, PROVIDER undertakes to provide its full cooperation and assistance, as needed), the shipping, packaging or destruction costs, the recollection costs at CLIENT's site, the customs duties fees, the quality tests expenses, the administration and handling expenses (collectively the "**Remediation Costs**"). Furthermore, any inspection, testing or approval of a test by CLIENT, waiver thereof or failure to perform the same will in no event relieve PROVIDER from any of its liability nor imply CLIENT's acceptance of the Product or Service. The foregoing will not be construed to affect PROVIDER's warranties, nor to limit or exclude any other rights or remedies of CLIENT herein (including the right to terminate subject to the provisions under article "*Termination*"), at law or in equity.

12.5 Planning – Delays. PROVIDER must respect the planning set out in the Order and acknowledge that time is of the essence.

12.6 Rules applicable in the event of on-site activities. In the event the Order is performed at one of the CLIENT's sites, PROVIDER undertakes to comply and fully cause its Personnel, who remain under its responsibility, to comply with the access, hygiene, safety, environmental (including waste management) instructions and regulations in force on the CLIENT's site. PROVIDER acknowledges having received prior to any intervention on the site such instructions and regulations. In addition, PROVIDER agrees to promptly report any accident suffered by a member of its Personnel, and any incident whose consequences could be harmful to the safety of any Personnel, installation, material, Equipment and/or the environment. PROVIDER will make sure that its Personnel received the adequate training to handle such event.

PROVIDER acknowledges that other contractors may work simultaneously with it on this site. As a result, PROVIDER warrants that its work will not cause any difficulties for other contractors, and in particular, that it will not cause any damage to facilities, Equipment or machines belonging to them, existing structures, or those under construction. PROVIDER will also implement all the necessary means to avoid nuisances to waterfront properties.

CLIENT reserves the right to require PROVIDER to proceed with the immediate eviction of any Personnel who does not respect the obligations set forth in this article and/or whose behavior may jeopardize the proper performance of the Order. CLIENT will be entitled to terminate the Order for breach as per article "*Termination*".

12.7 Information security and quality measures. PROVIDER must comply and procure that each of PROVIDER's Personnel will comply at minimum with the information security and quality measures provisions currently set out in <https://suppliers.sanofi.com/statics/pdfs/cyber-security-technology.zip> as amended by CLIENT from time to time. Such terms are hereby incorporated herein by reference and the Parties expressly commit to comply with them.

Except any other period agreed in writing between the Parties, the Contractual Warranty will take effect as from the definitive acceptance of the Products or Services and last for a period of (i) twenty-four (24) months for Products or (ii) twelve (12) months for Services.

Under the Contractual Warranty, as from CLIENT's Notice to PROVIDER of the Defective Product or Service or other breach of the Contractual Warranty or as from the date when PROVIDER first became aware of such (whichever is sooner), PROVIDER commits to promptly (and no later than forty-eight (48) hours after CLIENT's Notice to commence remedying) carry out the Remediation Actions as defined in article "**Acceptance**" that CLIENT reserves the right to choose at its sole discretion. The Remediation Actions will be performed at PROVIDER's sole risks and expenses, including the reimbursement to CLIENT of all and any Remediation Costs as detailed in article "**Acceptance**", without prejudice to any other rights or remedies that CLIENT may have under the Order (including the right to terminate subject to the provisions under article "**Termination**"). For the avoidance of doubt, the performance of Remediation Actions will in no event relieve PROVIDER from any of its liability under the Order.

The Product or Service thus remedied will in turn be covered by the same provisions as set out in article "**Acceptance**" and by the same initial period of Contractual Warranty which will start afresh with respect to the whole Product or Service as from the date when the Defective Product or Service is remedied to the CLIENT's satisfaction.

12.10 Spare parts. PROVIDER warrants the production and delivery, in relation to any Order, of all spare parts necessary for the proper functioning of the Products for a minimum of ten (10) years from the date of final acceptance of the Products, at prices that are fair considering prevailing market prices at the time said spare parts are ordered. Nonetheless, during the Contractual Warranty, PROVIDER shall supply the spare parts in priority to CLIENT at no extra cost and shall reimburse CLIENT for any Remediation Costs borne by it to source any spare parts which PROVIDER cannot provide in full and in time.
