Client may assign this Contract to an Affiliate and to a successor to its business (whether by merger, a sale of all or substantially all of its assets relating to the Contract, a sale of a controlling interest of its capital stock, or otherwise). Subject to the provisions of this Clause, the Contract shall be binding upon the successors and assigns of the Parties.

14.2 **SUBCONTRACTING** Should performance of the Services require Provider to subcontract all or any portion of the Services to a Subcontractor, Provider agrees that it shall only engage a Subcontractor for whom Provider has received Client's prior written authorization. The subcontracting of any part of the Services by Provider shall not relieve Provider from any of its obligations under the Contract. Provider and Subcontractor shall be jointly and severally liable.

14.3 **LANGUAGE** The whole text of these Conditions has been written in English. In case of discrepancies between the English text version of these Conditions and any translation hereof, the English version shall prevail.

The United Nations Convention on Contracts for the International Sale of Goods (CISG) shall not apply to the Contract.

15.2 **DISPUTE RESOLUTION** The Parties irrevocably submit to the exclusive jurisdiction of the District Court of Oslo.
